Product: Heat Shrink Tubing called SUMITUBE (all sizes and colours) Vs REACH EU-directives, its SVHC-Candidate list and RoHS.
To: All customers

Dear customer,

We, SESP, SUMITOMO Electric Schrumpf-Produkte GmbH declare that our heat shrink product line called SUMITUBE is conforming to REACH-EU-directives and its SVHC-candidate list as well as RoHS concerning regulation on chemicals substances and their safe use.

Furthermore: Conforming to REACH 'Annex XIV & XVII'

REACH: Registration, Evaluation, Authorisation and restriction of Chemical substances, which entered in force on 1st June 2007. The last update of SVHC-candidate list is dated July 27th, 2018 (The list is available for public via REACH home page).

http://www.echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

SUMITUBE product range does not contain substances mentioned in SVHC-candidate list.

Or their concentration is less than (<) 0.1% w/w.

RoHS: European directive 2002/95/EC of the European Parliament and of the council which, published on January 27, 2003 and entered in force on 1st July 2006, based on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Our HS-Product line is also conforming to 2000/53/EC (ELV) as well as European Directives RoHS 2011/65/EU (RoHS2) and its amendment 2015/863/EU, which will enter in force starting July 2019.
