General Notice and mandatory information

Name of the body responsible

The body responsible for the data processing on this website is:

Sumitomo Electric Schrumpf-Produkte GmbH
HR & IT
Oststrasse, 89
22844 Norderstedt

The body responsible decides alone or together with others about the purposes and means of processing personal data (e.g. Names, contact data or similar).

Revocation of your consent to data processing

Only with your explicit consent are some processes of data processing possible. A withdrawal of your already given consent is possible at any time. An informal message by e-mail is sufficient for the revocation. The legality of the data processing until the revocation remains unaffected by the revocation.

Right of appeal to the competent supervisory authority

In the event of a breach of data protection law, you are entitled to a right of appeal to the competent supervisory authority. The competent supervisory authority regarding data protection issues is the state Commissioner of the federal State in which the registered office of our company is located. The following link provides a list of data protection officers and their contact details:

Right to Data transferability

You have the right to have data, which we process automatically on the basis of your consent or in the performance of a contract, delivered to you or to third parties. The deployment takes place in a machine-readable format. If you require the direct transfer of data to another person responsible, this is only possible if it is technically feasible.

Right to information, rectification, blocking, deletion

You have the right to free information about your stored personal data, the origin of the data, its recipients and the purpose of data processing and, if applicable, the right to rectification, blocking Or the deletion of such data. You can contact us at any time via the contact options listed in the imprint in this regard and also for further questions about personal data.

SSL or TLS encryption

For security reasons and to protect the transfer of confidential content that you send to us as a site operator, our website uses SSL or TLS encryption. This means that data that you transmit via this website is not readable by third parties. You recognize an encrypted connection at the "https://" address line of your browser and at the lock icon in the browser line.

Server log files

In server log files, the provider of the website automatically collects and stores information that your browser automatically transmits to us. These are:

- Browser type and browser version
- Operating system used
- Referrer URL
- Hostname of the accessing computer
- Time of the server request
- IP Address

No merging of this data with other data sources occurs. The basis of the data processing is Article 6 para 1 lit. (b) DSGVO, which authorize the processing of data in order to fulfil a contract or pre-contractual measures.
